since May 2018*

The Executives' Association of the Palm Beaches, founded in 1987, is a prestigious network of similar associations whose beginnings date back to the 1920s.

Member firms represent an exclusive business classification, based on their main products or services, with which no other member can compete. The firm must be a leader in its field with unquestionable credentials, and have a solid reputation for quality and high business ethics. Each member firm is represented by its owner, C.E.O., or, if headquartered outside the Palm Beach market, a key manager or other executive decision maker.
